

## DERMAPUR

### ANTI BACTERIAL LIQUID HAND SOAP

#### PRODUCT USE

An anti bacterial liquid hand soap for dispensing through suitable equipment for the washing of hands. Used extensively in kitchens and hospitals where microbiological cleanliness is required. For best results use in conjunction with Dermabac Hand Sanitizer.

#### PRODUCT DESCRIPTION

Form : Liquid  
Colour : Clear Green  
pH : 6 - 7 (as received)

#### DIRECTIONS

Wet your hands, dispense approximately 5ml onto the hands and work into lather. Massage and wash hands for at least 30 seconds. Rinse with clean water and dry using paper towel/tissue or a hot air hand dryer.

#### PRECAUTIONS

- \* Avoid contact with eyes
- \* May be harmful if swallowed

#### FIRST AID

Eyes Immediately flush open eyes with copious quantities of clear water for at least 15 minutes.  
Ingestion Wash out mouth with water and give 200-300ml of water to drink.  
Do not induce vomiting.

**Note** If irritation or discomfort persists consult a Physician.

All Hychem products should be used in accordance with the manufacturer's instructions. While every effort is made to ensure the consistent quality of these products no warranty is given or implied in connection with any recommendations or suggestions made by the company, or its employees as every possible variation in the method of use cannot be anticipated.
